I then used this list to reach out to: <ul style="list-style-type: none"> <li>○ Meetings that had likely elected a new GSR to get their new GSR's info</li> <li>○ Meetings that were not meeting in-person or online to check on the status of the meeting and identify if they were planning on returning anytime in the near future.</li> <li>○ Meetings that have an identified GSR so we can invite them back to district meetings and make sure they know the new zoom info.</li> </ul> </li> </ul> <p>I also created a list of meetings that are meeting in-person but haven't been represented at district within the last six months to visit in person and invite them to district. Most of the former GSRs that I've reached out to haven't responded yet but I'll keep everyone updated on the results of this project.</p>	<p>Morgan, DCM biggsmorgant@gmail.com 504-505-6809</p>
