OUR THREE LEGACIES

UNITY — TRADITION 6

An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.

RECOVERY — STEP 6

Were entirely ready to have God remove all these defects of character.

SERVICE — CONCEPT 6

The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by trustee members of the Conference acting as the General Service Board.

HAPPY BIRTHDAY

“The unique ability of each A.A. to identify himself with, and bring recovery to, the newcomer in no way depends upon his learning, eloquence, or on any special individual skills. The only thing that matters is that he is an alcoholic who has found a key to sobriety. These legacies of suffering and of recovery are easily passed among alcoholics, one to the other. This is our gift from God, and its bestowal upon others like us is the one aim that today animates A.A.’s all around the globe.”

...A.A. was founded on the premise that it would be self-supporting through member contributions. Today's dollar has only 19 cents of the purchasing power of a 1960 dollar! For years, contributing a single dollar has almost become a tradition. Will just one dollar per person per meeting sustain us today????
