STEP 4 Made a searching and fearless moral inventory of ourselves.

TRADITION 4 Each group should be autonomous except in matters affecting other groups or A.A. as a whole.

TRADITION CHECKLIST FROM THE AA GRAPEVINE

Tradition Four: 4. With respect to its own affairs, each A.A. group should be responsible to no other authority than its own conscience. But when its plans concern the welfare of neighboring groups also, those groups ought to be consulted. And no group, regional committee, or individual should ever take any action that might greatly affect A.A. as a whole without conferring with the Trustees of the General Service Board. On such issues our common welfare is paramount.

- 1. Do I insist that there are only a few right ways of doing things in AA?**
- 2. Does my group always consider the welfare of the rest of AA? Of nearby groups? Of Loners in Alaska? Of Internationalists miles from port? Of a group in Rome or El Salvador?**
- 3. Do I put down other members' behavior when it is different from mine, or do I learn from it?**
- 4. Do I always bear in mind that, to those outsiders who know I am in AA, I may to some extent represent our entire beloved Fellowship?**
- 5. Am I willing to help a newcomer go to any lengths—his lengths, not mine—to stay sober?**
- 6. Do I share my knowledge of AA tools with other members who may not have heard of them?**

- 4) Fifth Step

“The unique ability of each A.A. to identify himself with, and bring recovery to, the newcomer in no way depends upon his learning, eloquence, or on any special individual skills. The only thing that matters is that he is an alcoholic who has found a key to sobriety. These legacies of suffering and of recovery are easily passed among alcoholics, one to the other. This is our gift from God, and its bestowal upon others like us is the one aim that today animates A.A.’s all around the globe.”
